Social Justice is Attainable: NCC Leadership

Courtesy visit of The Rt. Rev. Dr. Sam Paul, Founder President National Christian Council to meet with Honourable Minister of State for Social Justice and Empowerment, Govt. Of India Shri Ramadas Athawale on 17 July 2022.

The Honourable Minister was closely associated with Dr. Sam Paul in the establishment and running of English Medium Schools in Maharashtra state few years back. They both attended the United Nations Conference Against Racism and other Intolerances in Durban, South Africa for about 10 days and were in close touch through several meetings in Delhi, in Maharashtra, Hyderabad and in other cities.

It was good to renew the fellowship in Mumbai today and the Honourable Minister reminisced about those days and was happy to reconnect after a gap due to covid pandemic and other factors. The Honourable Minister said that he will be visiting Andhra Pradesh some time and Dr. Sam Paul had assured that in almost all the districts National Christian Council chapters exist and many Church going Christians in Andhra Pradesh still have certificates that is the only reason that makes them eligible for the government schemes and projects.

During the Minister's next visit a delegation of leaders will meet him in Andhra Pradesh to update him about the issues pertaining to Social Justice and Empowerment in the State. The Minister's office staff, leaders that work with him were all cordial and helpful with this visit and we look forward to many more meetings in the future for the welfare of Dalit communities for Social Justice and Empowerment of scores of people.

NCC Membership Drive in Jharkhand - Bro Solomon Raju, NCC Jharkhand State General Secretary Reports

NCC Membership Drive in Jharkhand - Bro Solomon Raju, NCC Jharkhand State General Secretary Reports

By the grace of God, from last May till date, NCC Jharkhand State Leaders have visited and campaigned door to door for NCC Membership. So far around 9 local churches, have been reached out. Most of them are established in remote areas. Jharkhand NCC led by Bro Solomon Raju, General Secretary have plans to invite them for a special Seminar some time in August/ October this year.

Apart from sharing information about NCC and bringing awareness, the State NCC wants to educate them regarding the new bills that are passed in the Parliament against Christianity / anti-conversion laws, etc.

Most of the pastors and lay leaders are very keen and fully interested in sharing their local issues and want to get security from the local administration during the opposition to propagate the Word of God.

Hence, the state leadership has plans to request the National Executive to arrange a highly qualified advocate who is practicing in the High court / Supreme court to be the resource person for this Seminar and address their issues about how to deal with them adequately.

I request the NCC National Leaders to please try to attend this meeting and also advise us about how to organize it. Please bring such eminent advocates or Christian political leaders for the encouragement of local / Jharkhand state NCC leaders.

Few pics enclosed about our visit to the Churches and door to door campaign about MEMBERSHIP IN NCC.

Please uphold us in your prayers. 🙏

Bro. Solomon Raju, NCC Jharkhand State General Secretary

NCC Telangana State Leaders Meeting in Hyderabad. Rev. Dr. Stephen Chittibabu National President spoke the word of God on the subject of Abraham being the friend of God and how a friend's relation is one of the best in human relations and that we agree to be and go with a friend without even asking why and where. It was very admonishing to all.

Dr. Sam Paul shared about the ethos of NCC and said that in all the wings we need to have good membership without which our presence and essence of our unity will not be recognized in the society or with authorities. He suggested that Youth Wing, Prayer Wing, Students Wing and Women's Wing have membership in thousands and possibly in lakhs in a given period of a quarter or few weeks. He gave an update of various states and how they are all moving forward and today the 25th State is added into NCC as Jammu and Kashmir has joined as of today after several months of deliberations. [NCC Jammu & Kashmir](#)

Brother Sanjeev Tenali who recently took up the responsibility of National General Secretary said that we have to diligently work for NCC to progress in all the States of India and also internationally. He encouraged all to be committed to the cause and suggested that in a short time to have a goal of having at least 10 to 15 members from each Church in India. He pleaded that all the leaders should work towards this goal.

Bro. Karunkar said that we need to be more rigorous in our efforts and that regularly in Sattupally area almost every week a program happens for NCC and all the public, other community leaders and authorities approach NCC for any Christian community issues all the times. He announced that there will be a state level meeting to bring 39 Districts leaders to Hyderabad on 26th August 2022 for a special gathering and for strategizing for our community for the coming days.

Rev. Prakash Rao said that we should have bigger gatherings of 5,000 or more leaders to be heard in a democracy. If the leaders are united he said we can negotiate much for our community from any authority and he cited the recent meetings that NCC Telangana leaders had with the Honorable Home Minister Mr. Md. Farukulla and Honorable Minister for Education Mrs. Sabitha Indra Reddy.

Dr. Babu Rao said that most districts are now organized and we will move faster in completing the other districts and completing the formation of 33+6 GHMC Zones, a total of 39 Districts in the State in the NCC Structure.

Mrs. Brighty Beulah said that this NCC platform and fellowship could be used to benefit more Churches and people as we will be a part of the national movement and that could get more attention from the authorities and leaders. She cited few examples of how several activities could be done in the recent past including the good police cooperation that she could obtain from 4 different police stations for the good friday Motor Rally for sharing the gospel.

The meeting went well and the new committee of Telangana State was announced with Bro. Alavala Karunkar as the State President, Dr. K. Babu Rao as the State Working President, Rev. KS Prakash Rao as the State Core Committee Chairman and several District Chapters were announced.

Mrs. Esther Rani, the National Divyang Wing President, was given her appointment letter and responded saying that to her level best she will mobilize leaders and do justice to the post especially by informing about the various schemes for Divyangjan at the Center and in various state governments. And all the newly appointed leaders were given their appointment letters.

Faridabad, Delhi & NCR (UT) NCC Chapter

Meeting with District Presidents until 1:00 pm was very interactive.

a. The 17 Wings of NCC were all clearly defined and explained

b. The duties of Districts Offices

c. Matters that should be taken up with the Minorities Commission, Government of India, and Delhi (UT), and as to how to implement them were all deliberated fully.

All leaders were advised to fill up all the vacant posts in their NCC Chapters at the earliest, so that we can show our strength and unity.

The host of the meeting had to say this about the meeting:

“It was a privilege to welcome the NCC leaders of Delhi NCR region to Faridabad. Today's meeting was very good under the Chairmanship of Rev. Victor Das ji, our respected President of Delhi NCR region.

We decided to move ahead with positive energy leaving behind the sad memories of the Corona period. Opportunity was given to all the leaders to openly express their views, suggestions and opinions.

All the leaders expressed solidarity and dedication to work for the betterment of Christian community through NCC. I thank everyone very much for attending and holding this meeting in Faridabad. God bless all the people of NCC Amen.” Pastor Anil Kumar Aind, District President, Faridabad

One of the concerns in the meeting was the frequent absence of few District Presidents and leaders in NCC meetings. We have decided to look for new leaders in those districts as those that did not find time to come to any meeting and did not even coordinate to depute anyone on their behalf. May God bless them for being with us, I wish all the best for their future programs.

Discipline is very important to run the organization, Delhi & NCR (UT) chapter is committed to maintain discipline in all matters.

He explained the parable in the life of Jesus where 5 loaves and 2 fish were distributed and said that all those that were served got only one meal for that day but those that served them got a basket full each as 12 disciples gathered 12 baskets full of the left over. He stressed that as we serve and give much more is given to us by the Lord like a basket full not just a meal!!

Speaking on the occasion Dr. Sam Paul welcomed the naming of the district after the tall leader and the favorite of the masses Dr. B. R. Ambedkar by the Govt. Of Andhra

First, The AP State Assembly should pass a resolution to name the newly built Parliament House in Delhi as Dr. B.R. Ambedkar Parliament House.

Secondly, as done in the past by the great leader Dr YS Raja Shekar Reddy ji, AP State Assembly should once again pass a resolution to recognize Dalit Christians as Scheduled Castes as their choice of religion is not to be dictated by the Government or any authority in a free democratic country. They are born into a community and thus are Scheduled Castes entitled to all the government benefits irrespective of what religion they chose today or change to tomorrow.

He said that the State Assembly should pass these resolutions and send to the government of India through proper channel immediately.

Dr. George Muller said that government schemes should be informed by the NCC leaders to all the eligible and all all the schemes should be taken advantage of by the eligible persons.
