# NATIONAL CHRISTIAN COUNCIL

United to Serve

Dear Leader,

Ref: <http://www.nationalcouncil.in/docs/welcome.pdf>

A warm welcome to you to take up a position in NCC in a capacity that God is leading you in and with a commitment to do your best to that position that is given to you.

This brief note is for leaders contemplating to be a NCC President of a State or a District or a Taluq, or for a NCC Wing at the State or District level.

NCC wants to network leaders at all levels to position ourselves as a network that is representative and that has followers. A leader without followers is just taking a walk!! So we want to see that our State Chapters, District Chapters, City / Town Chapters, Taluq Chapters and Wings are all networked and filled with leaders that have a good number of followers either in the form of their Church / Churches they lead or through their institutions, circle of connections across the larger civil society.

Right now there are no salaried positions in NCC. We have only voluntary positions. We do not expect to set aside your primary job / ministry that you are committed to do instead we want to ensure that your position in NCC will make you perform better in your primary call and do much better and now serve a larger audience. As you serve your own people NCC position opens up avenues for you to serve the larger Church across all denominations and if leading a Wing to be a salt and light as Jesus commanded in that particular sphere that a NCC wing specializes in.

We want to clarify that we are not a funding agency but are committed to empower a leader with the following: **1. Quick INFORMATION 2. IDENTITY 3. A National PLATFORM.** We will put to service the latest information technology so as to position ourselves and to bring the blessings to the larger Church, the body of Jesus Christ and to Christian community through rendering service to the society. We will work towards developing leaders and to empower the leaders to build the kingdom of God in our generation.

If you opt for being a President of a NCC State or District or Taluq or a Wing President at State or District level, we expect your constant availability to your team and to authorities, media and to the larger Church in your area comprising of all denominations. If you cannot give that kind of a time, we have State bodies and District bodies and Taluq bodies. You can be a member in those bodies as per your available time to pray, guide and participate when possible to you. If you are an expert in a Wing's focus we request you to be part of that wing and be guiding and helping the respective Wing President. If each of the 17 Wings does one or two major programs a year that will not be taxing the Wing President much financially and time wise. And if all Wings function and perform just one or two programs a year we can be in the society throughout the year in their area of focus.

Kindly go through the one page NCC Purpose Statement, found here:

[www.nationalcouncil.in/purpose.pdf](http://www.nationalcouncil.in/purpose.pdf) if you already did not read it. And do send us a copy of your completed NCC Membership form that can be downloaded from here:

[www.nationalcouncil.in/application.pdf](http://www.nationalcouncil.in/application.pdf) or if the form is too small for your big

achievements or degrees kindly email your resume to us at: [info@nationalcouncil.in](mailto:info@nationalcouncil.in)

Thank you for prayerfully considering to network with NCC with your gifting and talents. We look forward to serving together in bringing blessings to the Church and to serve our country truly.

Sincerely Yours,

The Rt. Rev. Dr. Sam Paul  
Founder President

Rev. Dr. A. Stephen Chittibabu  
National President
